the Michigan
Municipal League,
the Michigan
Association of
Municipal Attorneys
and American
Legal Publishing

Local Government Law and Practice in Michigan is now available on a fully-searchable CD-ROM.

Written and edited by experts in local government law, this handbook is an essential tool for every attorney whose practice involves the law of local governments. *Local Government Law and Practice in Michigan* is also a necessary resource for administrators and elected officials.

CD-ROM Features

The CD-ROM version of *Local Government Law and Practice in Michigan* utilizes the award-winning Folio Views® software. Folio Views is a Windows-based search-and-retrieval program that offers *instant access* to information. With Folio Views, you can:

- Perform **fast, full-text searches** throughout the entire handbook.
- Navigate the handbook with an **easy-to-use electronic table of contents**.

- Personalize the handbook with **electronic notes, bookmarks and highlighters**.

- **Print and copy** portions of the handbook to your word processor.

Pricing and Ordering

The CD version of the handbook is available for \$230 (\$95 for those who have previously purchased the printed version). Discounted multi-user licenses are also available. No-cost, toll-free technical support is included with every CD purchase.

About American Legal

American Legal Publishing serves as the Michigan Municipal League's Folio Views consultant, and works with the League to publish the Michigan State Building Codes on CD-ROM. American Legal also provides codification services to over 1,800 local governments across the country (including over 70 municipalities in Michigan).
